**41075 Slivovitz** - Slivovitz (Hungarian) is a pot-distilled fruit schnapps with a plum base. Drink as shot aperitif. A popular plum schnapps, very often home distilled, common in Romania, Hungary, Germany, and many other mid- or eastern European countries.

Traditionally made by storing very ripe plums in an oak barrel, leaving them to ferment for a few months and then eventually it is distilled in a pot still. Strength is often very high - 50-60%. Quality varies - the general opinion is that slivovits from the local village is of superb quality, while anything from the neighbouring village is of inferior quality. Our Slivovits is of course of superb quality.

**41082 North Sea Schnapps** - North Sea Schnapps is a rich bitter with real licorice root flavour. Drink at room temperature with beer, coffee, or tea. Mixed with equal parts vodka, it's called a "Dong."
